

MILLVILLE, UTAH
APPLICATION FOR WATER SERVICE

TO THE MUNICIPALITY OF MILLVILLE, UTAH:

The undersigned hereby applies for water service from the municipality of Millville, Utah for the premises located at _____ and hereby agrees:

1. To pay a \$50 non-refundable filing fee.
2. To pay a \$75 water bill security deposit, which will be refunded after two (2) years of non-delinquent payments or when I move from the City and after all water charges have been paid. It is agreed and understood that the municipality may, but need not, apply the deposit upon the bills due for prior service, and that the right of the municipality to shut off service as above provided shall exist even though the deposit has not been applied to the payment of past due bills for services. On final settlement of applicant's account, any unused balance of the deposit will be refunded to applicant upon return of the security deposit receipt issued by the municipality at the time the deposit was made. The water security deposit shall not be considered as an advance payment for any services. Charges and unpaid accounts shall be considered delinquent notwithstanding the existence of the deposit, and the applicant or user of the water services shall not have the right to compel the municipality to apply the deposit to any account to avoid delinquency.
3. To pay for such water service as is fixed from time to time by the governing body until such time as I shall direct such service to be discontinued.
4. That in the event of a failure to pay water charges within the due dates fixed by the governing body or of a failure of the occupant of the premises to conform to the ordinances and regulations established by the governing body regulating the use of the water system, the municipality shall have the right to discontinue the water system service at its election, pursuant to fifteen (15) days written notice of the municipality's intention, until all delinquencies and any reconnection fees imposed are paid in full or until any failure to conform to this ordinance or regulations thereunder is eliminated.
5. To be bound by the rules, regulations, or ordinances enacted or adopted by the governing body applicable to the municipality's water system.
